- G. If a regular pay date during the school term falls on a day when school is not in session, employees shall receive pay on the last day of the school session. Each employee shall receive 2 of his/her summer paychecks on the last work day that school is in session, one of which will be paper and the 3rd either by mail or direct deposit within 5 business days. Pursuant to such authorization, the District shall deduct and remit monthly one-tenth of such dues from the regular salary check of the employee each month for ten (10) months, beginning in October and ending in July of each year. (Deductions for employees who join the Association after the commencement of the school year shall be appropriately prorated so that payments will be completed by the following July.)

 - 1. From October 1, 2018 to the September 30, 2019 the District's obligation toward the premium cost shall not exceed \$1375 per employee per month. Additionally money will be added to an "insurance pool" based on the number of opt-out VEBA participants (See "F" below).

For staff members who elect Health Plan H – 100% of the difference between the cost of the insurance for Plan H and the \$1375 cap will be put into a Health Savings Account (HSA).
 - 2. For new licensed staff hired for the 2012-13 school year and beyond, the district will pro-rate the district's contribution for the total cost of health insurance premiums as provided in this contract, based on the assignment FTE of the employee in a regular teaching position. (i.e., .75 FTE will receive 75% of benefits; .50 FTE will receive 50% of benefits, etc.).
- C. Insurance benefits, as provided, shall be effective for the entire term of the Agreement. In the event that no new Agreement has been realized by June 30, 2019, the parties stipulate that the benefits provided and the Board's contribution towards the costs of premiums for benefits shall remain in effect at the "status quo" until such time as a successor Agreement is ratified.

- D. The District will provide insurance for repair or replacement of personal items which are used as teaching aids and which are itemized and listed on the District's insurance policy with a \$25.00 deductible. This will be a part of the District's insurance program.
- E. The District maintains the right to determine the method of premium payment for all insurance agreed upon at the most reasonable cost to the District provided that the method chosen does not reduce the insurance benefit to the individual employee.
- F. Subject to the rules and regulations of the insurance carrier, OEGB, and the IRS, active employees who maintain and provide proof of another medical benefit plan may opt-out of District sponsored health insurance coverage. Employees who opt-out of health insurance coverage, and who are otherwise eligible for a District contribution towards insurance premiums, may receive 40% of the employee's maximum District insurance contribution as a contribution toward a District Sponsored Health Reimbursement Arrangement (HRA) VEBA, as long as such contribution would not create disadvantageous tax consequences for the District or the employee.

40% will go into an insurance pool and will be divided among the remaining active employees enrolled in OEGB plans with the remaining twenty percent (20%) going to the district. Opt-out decisions must be made at annual enrollment and the "pool" will be based upon opt-outs at annual enrollment.

Eligible employees who do not maintain and provide proof annually of another employer-sponsored group medical plan will not be permitted to opt-out of District sponsored group insurance coverage.

Around April 1st of each year the parties agree to a limited re-opener to discuss salary and the insurance cap for the following year.

ARTICLE 24

PAID LEAVES OF ABSENCE

A. Personal Leave *

The licensed employee will provide a minimum of two (2) days notice, if possible, before taking such leave. The third day of leave will be at the cost to the employee equal to the District's cost of an appropriate substitute. In the event that the teacher is on approved OFLA/FMLA/ADA/Workers Comp leave, the cost of the 3rd day will be borne by the district. The Board agrees to reimburse employees who do not take the first and second day of leave an amount equal to a substitute teacher's pay for each unused day.
2. Good Cause: Other leaves of absence with pay may be granted by the Board for good reason.

B. Bereavement

Up to 32 hours bereavement leave, per event, will be granted upon the death of a member of the immediate family or death of a person who, because of close association, is perceived as a family member.

Definition of "Family Member" means spouse ("spouse" means individuals in a marriage including "common law" marriage and same-sex marriage), custodial parent, noncustodial parent, adoptive parent, stepparent or foster parent, biological parent, child of the employee (biological, adopted, foster or step child, a legal ward or child of the employee standing in loco parentis) or a person with whom the employee is or was in a relationship of "in loco parentis", grandparent, grandchild, parents-in-law or the parents of the employee's registered domestic partner.

ARTICLE 25

UNPAID LEAVES OF ABSENCE

- A. Professional Study: After four (4) years of successful teaching in the Morrow County School District, an employee may apply for an unpaid leave of absence for schooling. Such leave request will be granted, provided it satisfies the following criteria:

 2. Requests must contain the specific reason for the leave.
 3. Requests must show some benefit to the school system.
 4. Requests must stipulate the amount of leave time needed.
 5. Requests must provide an expected date of return and, if the leave granted is for one (1) year, then notice of intent to return will be given to the Board no later than April 15th during the year in which leave is granted.
 6. An employee on leave for schooling would retain his or her position the following year, and would receive a normal increment as though he/she had been teaching. Failure to attend school once a leave is granted for that purpose would cause the District commitments in this paragraph to be null and void.
 7. If an emergency situation prevented an employee from fulfilling the requested leave for schooling, the employee will be able to retain the same or substantially the same position the following year but would not receive a pay increment.
- B. Travel: After four (4) years of successful teaching in the Morrow County School District, an employee may apply for an unpaid leave of absence for travel and such leave may be granted at the discretion of the Board subject to the following criteria being met:

been teaching. Failure to use the leave for the specified purpose would cause the District commitments in this paragraph to be null and void.

8. If an emergency situation prevents an employee from fulfilling the requested leave for travel, the employee would be able to retain the same or substantially the same position the following year but will not receive a pay increment.
- C. A leave of absence of up to two (2) years shall be granted to any employee, upon application, for the purpose of serving as an officer of the Association or on its staff.

It is understood that, if illness occurs during an unpaid leave, no sick leave pay will be provided by the District.

Any payment for coursework made between June 1st and June 30th for summer term will be recognized as being in the new fiscal year.

If the employee resigns prior to fulfilling the agreement, repayment of tuition reimbursement to the district will be taken out of employees last checks.

Special circumstances may warrant the Superintendent to waive a portion or all of the money received by a teacher under the Tuition Reimbursement in this article. Staff on leave must return to work before any payment is made.

Workshops/Conferences/Professional Events

The district will set aside \$15,000 for workshops, conferences and/or professional events for teachers. ARTICLE 29

COMPLAINT PROCEDURE

A. Complaint Procedure

If a complaint is made against an employee to the administration and the complaint does not involve allegations of conduct which may be criminal or may amount to physical abuse or sexual harassment or abuse, the parties will first attempt to resolve the complaint at an informal level. If the complaint involved an allegation of conduct, which may be criminal or may amount to physical abuse or sexual harassment or abuse, then the complaint procedure will be utilizing beginning with Section B below. Complaints found by the administration to be without merit, shall not become a part of the employee's personnel file. If the complaint remains unresolved, said complaint shall be processed as follows:

1. If the administration intends to make a record in the evaluation report of a complaint received concerning the employee; or
2. If the administration intends to place a record of such complaint in the employee's personnel file; or

3. If in the administrator's judgment, such complaint is sufficiently relevant to the employee's performance as to indicate the desirability of a conference, then:

Excluded from this time requirement are situations where conduct is being investigated by law enforcement officials. ARTICLE 30

REDUCTION IN FORCE

- A.
 1. In the event the Board determined that a layoff is necessary due to the District's inability to levy a tax sufficient to provide funds to continue its program at its anticipated level, or resulting from the District's elimination or adjustment of classes due to administrative decision, the following will apply; layoffs shall be for non-personal reasons. The Association and employees shall be notified at least forty-five (45) days prior to the effective date of the layoff. In the event of school closure due to lack of funds, however, the notice shall be given as soon as practicable. Notice will include all positions and names of teachers who are being considered for layoff, and the reasons for the proposed action.

In accordance with other necessary legal requirements, the District will lay off teachers as provided herein.
 2. The Board shall determine the programs/positions to be reduced or eliminated.
 3. The Association agrees that there will be no obligation on the part of the District to bargain over the decisions that may lead to an increased workload on the remaining bargaining unit members as a result of the layoff. However, should

the Association believe that there is a more than de minimis impact on the workload of those bargaining until members who are retained by the District subsequent to a layoff and if it makes a timely demand to bargain said matter, the parties shall negotiate the terms of said impact. Nevertheless, it expressly agrees that such a demand to bargain or subsequent negotiations that may result shall not in any way impede the layoff of bargaining unit members or reduction in force as provided herein.

B. Procedure for Layoff

1. Seniority shall be defined as the employees' total length of continuous service in the District as a licensed teacher. Seniority will be computed and accrued from a teacher's first day of actual service with the District inclusive of approved leaves. Ties shall be broken by drawing lots.
2. The District will retain or lay off employees based on certification, seniority and competence. Specifically, the District will retain the properly certified employee with the most seniority unless the District determines that the employee does not meet the criteria for competence established in this Article.

For purposes of this Article, "competence" shall be defined as the ability to teach a subject area or grade level based on recent teaching experience related to that subject or grade level within the last seven years, or educational attainments, or both, but not based solely on being licensed to teach. The district may consider a teacher's willingness to undergo additional training or pursue additional education in deciding upon questions of competence. Competence based on educational attainments or training shall be established when an employee has, within the last seven years, successfully completed nine quarter units acceptable to meet the requirements for an endorsement in the curricular area of the potential assignment. A meeting to create a plan for a teacher to reach or maintain competence in an endorsement or curricular area may be requested by a teacher at any time. The teacher and their supervisor will identify what experiences will be needed to maintain competence in the specific endorsement or curricular area. They will insure they have included all necessary work to maintain licensure in this area. This plan will be reviewed and subject to approval by the Superintendent. After approval it will be the teacher's responsibility to complete the plan to maintain the competence.

For purposed of determining whether or not an employee's recent teaching experience is related to a particular grade level, the experience will be considered applicable if it falls within the grouping of grade levels as follows:

Kindergarten through 4th grade
3rd grade through 6th grade
5th grade through 9th grade
7th grade through 12th grade

C. Recall

If, within twenty-seven (27) months of layoff, a vacancy occurs within the District for which a laid-off teacher is certified, recall shall be in reverse order of layoff unless the District determines that recall out of reverse order is necessary based on competence.

1. At the time of layoff, the District shall receive the laid-off teacher's address for recall notification. In the event of a recall, the District shall notify the teacher(s) of the recall by certified mail, return receipt requested, sent to the last address given by the teacher to the District office. The teacher will have ten (10) calendar days from the date as certified received, to notify the District of intent to return. The teacher must, thereafter, return to work within thirty (30) days from the date the recall notice was received, or if employed elsewhere, at a time mutually agreed upon by the District and the employee. Failure of the teacher to respond within the ten (10) calendar days of the certified notice herein specified shall terminate the teacher's employment as a voluntary resignation.
2. All benefits to which a teacher was entitled at the time of layoff, including unused accumulated sick leave, will be restored to the teacher upon the teacher's return to active employment provided those benefits are still in effect, and the teacher will be placed on the proper step of the salary schedule for the teacher's current position according to the teacher's experience and education.

D. Benefits

1. The District shall continue to pay insurance benefits on behalf of the teacher for a period of sixty (60) days. Such coverage may be continued for the balance of the layoff provided the employee pays the premium and such practice is with the approval of the insurance carrier.

- F. By inclusion of this article in the Agreement, the parties understand and agree that nothing in this labor contract guarantees continuous employment.
- G. No teaching position in the District shall be considered "vacant" for purposes of ORS 342.845 (5), if filling the position with a non-extended administrator would cause another employee to be laid off or if there is a licensed and qualified employee on the recall list who would otherwise be entitled to be recalled to that position.
